Recherches bibliographiques

Hello, here is some text without a meaning. This text should show what a printed text will look like at this place.
If you read this text, you will get no information. Really? Is there no information? Is there.

This will be in a new column, here is some text without a meaning. This text should show what a printed text will look like at this place.
If you read this text, you will get no information. Really? Is there no information? Is there...

Figure – Clusters des premières séries

Exemple(s) :

$\sum_{i=0}^n 2^i$ donne `sum(2**i for i in range(n))`
